## COUNCIL COMMUNICATION

TO: City Council  
FROM: City Manager  
MEETING DATE: June 1, 1988  
AGENDA TITLE: Approve Resolution Prohibiting Through Truck Travel on  
Turner Road from Highway 99 to Interstate 5

RECOMMENDED ACTION: That the City Council:

- a) adopt a resolution amending the Traffic Resolution to prohibit through trucks on Turner Road;
- b) request Caltrans to place appropriate signs on Highway 99; and
- c) request San Joaquin County to adopt a similar restriction with signs to be posted on Interstate 5.

BACKGROUND INFORMATION: At its May 18, 1988 meeting, the City Council approved a staff report recommending that no action be taken on proceeding with an Environmental Impact Report on establishing truck routes in Lodi. This Environmental Impact Report would have been the basis for making Turner Road a truck route or prohibiting trucks on Turner Road. Public comments on either course of action were received last year as part of the adoption of the new Traffic Ordinance and again on May 18.

Based on the testimony received at the previous public hearings and the discussion on May 18, Council directed staff to prepare a resolution prohibiting through trucks on Turner Road and contact Caltrans regarding signing on Highway 99 and Interstate 5.

A recommended resolution is attached. This resolution will only affect Highway 99 to Interstate 5 truck traffic. Other through truck traffic such as a trip from Highway 88 to Interstate 5 or Lodi based trips would not be affected.

With this resolution in place, Caltrans has indicated they would install the appropriate signs on Highway 99. However, they were reluctant to do so on Interstate 5 since those ramps are in the County. They suggested the City ask the County to adopt a similar resolution. With Council approval, staff will do so.
